

HARVEST AND THRESHING

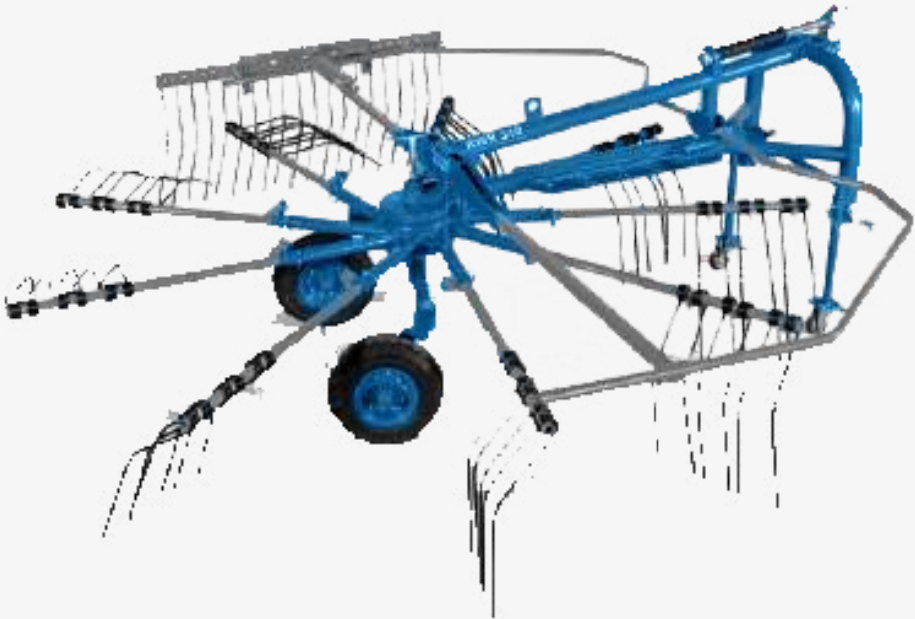

Rotary Rake

- time saving

- powerful - robust

- fuel saving

NRR Series

- Heavy-duty construction ensuring uninterrupted work
- Faster forage drying

Product Description

Rotary Rake

NRR	1	2
Working Width (mm)	3800	4500
Transport Width (mm)	1200	1300
Required Tractor Power (hp)	45	65
PTO Speed (rpm)	540	540
Number of Arms	9	11
Work Capacity (ha/h)	1,2	1,4
Total Number of Springs	27	44
Weight (kg)	400	650
